

## **Habitat 2017 – ONE MORE HOUSE BUILT ON A DREAM**

Be a part of bringing joy to Sonja Hodges and her family! Volunteer to help her build her Habitat house! You will be a part of doing something really good, working side by side with her, with your Saint Luke's friends and with friends from Dodd-Sterling UMC, Episcopal Cathedral of Saint Phillips, Big Bethel AME and Wieuca Road Baptist.

The build starts on March 4th and continues for seven more Saturdays through April 29th, skipping April 15th. Each Saturday starts at 7:30 AM and ends at 2:30 PM. We need 40 volunteers each Saturday and it would be great to see Saint Luke's contribute at least 20 of them. Set aside one or more of your Saturdays to help Sonja realize her dream of home ownership! If working at the site doesn't work for you, consider providing breakfast for one of the Saturdays.

The address of the house to be built is 1500 Monteel Drive NW 30318. The first Saturday, all volunteers will meet at the Atlanta Habitat Warehouse at 824 Memorial Drive SE 30316 where they will enjoy a delicious breakfast prepared by our Saint Luke's Men's Breakfast kitchen crew.

We will have the usual car pool arrangement. If you want a ride or you want to be a driver, meet at the church parking lot (Manhasset Street) in time for a 7:00 AM departure each Saturday.

**Each person must register on the Internet at  
the Atlanta Habitat Volunteer Hub Site.
