

Saint Luke's Little Saints Preschool  
SAINT LUKE'S PRESBYTERIAN CHURCH

## SCHOLARSHIP FUND

Families that are undergoing financial hardship may apply for scholarship funding. We have two sources of funding: the SLLS Scholarship Fund and the Presbyterian Women Fund. PW is an organization within Saint Luke's Presbyterian Church that generously donates an annual, partial scholarship designated for SLLS families. Both funds are available for families that are undergoing financial hardship from loss of a job, illness in the family or other special needs that affect monthly payments.

Your scholarship application will be reviewed by a committee appointed by the Director. However, the application is completely confidential; the committee will not know the identity of the applicant.

Families are not required to refund scholarship money but some have been moved to do so when they became more financially stable. Refunded money is used in turn to help other families who are in need.
