THAT ALL MAY WORSHIP

A HEARING LOOP is accessible by switching hearing aids to **T-coil**.

LARGE PRINT HYMNALS and **BACK CUSHIONS** are available; our ushers are happy to assist you.

CHILDREN are a precious part of our church family, and we welcome them in worship. Activity notebooks are available on the back ledges of the sanctuary for preschool and elementary ages. Each week, children are invited to walk up for an age-appropriate message during "Tell Us Our Story." After that time, they may remain in worship, go to **child care** (PreK and younger), or to learn more about our worship traditions in **Faithful Friends** (for K, 1st & 2nd grades).

In Preparation for Worship

“Paul’s encomium (tribute) of love is one of the loftiest expressions in literature. Its function is to place love, in many of its aspects, in the center of the church’s reflection – the location of which is itself symbolic of love’s centrality to the life of faith. Love is the absolutely indispensable feature of the believing life; without love, there is no life either in the individual or the community.”

J. Paul Sampley

* Call to Confession

Leader: The Lord be with you.

People: **And also with you.**

Leader: Let us pray.

* Prayer of Confession

God our Redeemer, we confess that our lives do not reflect Your glory. You are loving, patient, and kind; we are envious, boastful, and arrogant. You rejoice in the truth; we revel in our wrongdoing. Forgive us, God of grace. Put an end to our selfish ways and teach us to love one another as You have loved us. For we ask in Jesus’ name that You hear this and the prayers of our heart... *(time of silent confession)*

Leader: Lord, in Your mercy,

All: **Hear our prayer, Amen.**

* Assurance of Forgiveness

* **Song of Praise**

Gloria Patri *GREATOREX*

Glory be to the Father, and to the Son, and to the Holy Ghost; as it was in the beginning, is now, and ever shall be, world without end. Amen, amen.

Tell Us Our Story

Catherine Anne Thomas

Parents may take their young children (through PreK) to our nursery, Rm. 121 in Sheppard Hall.

*Parents of children in K, 1st or 2nd grade may take them to **Faithful Friends** in **The Harbor**, Rm. 213.*

Morning Prayer & The Lord's Prayer

Our Father Who art in heaven, hallowed be Thy name. Thy kingdom come, Thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts, as we forgive our debtors; and lead us not into temptation, but deliver us from evil. For Thine is the kingdom and the power and the glory, forever. Amen.

Lord, Speak to Me That I May Speak *CANONBURY*

* Affirmation of Faith

Philippians 2:5-11

Pastor: Let us affirm our faith in Jesus Christ, the Son of God.

People: **“Who, though He was in the form of God, did not regard equality with God as something to be exploited, but emptied Himself, taking the form of a slave, being born in human likeness. And being found in human form, He humbled Himself and became obedient to the point of death — even death on a cross. Therefore, God also highly exalted Him and gave Him the name that is above every name, so that at the name of Jesus every knee should bend, in heaven and on earth, and under the earth, and every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.” Amen!**

DO YOU HAVE DIFFICULTY HEARING CLEARLY IN THE SANCTUARY?

If so, we have a solution for you. When the sanctuary was designed our building committee opted for hard surfaces to create an ideal environment for music – and it worked. The only problem is that the spoken voice reverberates off of the hard surfaces. Numerous attempts to enhance verbal hearing through electronic means and by adding sound-absorbing surfaces to the side walls have helped somewhat, but the problem still exists.

Recently we have installed a technology called a “Hearing Loop” which has been used successfully in Europe for years and is now catching on in the U.S. Wire loops installed under the pews in the main level and the choir loft, used with a device containing a telecoil make it possible to hear the spoken word exactly as it is spoken, thus eliminating the overlapping echo.

We have replaced the old analog receivers with ten telecoil receivers which can be used with standard ear buds, such as those used with iPhones and iPods, to deliver clear sound to both ears. We encourage you to bring your own ear buds or to purchase one from the basket for \$1 and try out the Hearing Loop system. For those who have hearing aids, most recent digital hearing aids have telecoils that need to be activated by your audiologist, and can be easily switched on for use in the sanctuary.

This technology is spreading to theaters, museums and other public facilities where hearing is difficult. You can recognize those facilities by the telecoil symbol shown here. You can acquire your own receiver for \$100 by contacting Roby Price (robypri@sipres.org / 770.393.1424, ext. 244).
