

2019 Middle School Conference

At the Door

Workshop Selections

When selecting workshops for the registration form, please use **numbers** only.

1. Hotline to God	<i>Are you there, God? It's me. In this workshop, explore different ways to talk with God using journaling and prayer stations. We will use different prayer practices to become more comfortable talking with God.</i>
2. Ask. Seek. Knock.	<i>It can be hard to ask, seek, or knock when you're restless and unsettled. Learn healthy self-care practices that allow you to be more intentional in your connection with God.</i>
3. Knock, Knock!	<i>You never know who or what will be waiting for you behind life's many doors. In this drama workshop we will explore how the improvisation technique of saying "yes, and..." can help us navigate whatever is behind the door.</i>
4. Unlock Your Gifts	<i>Just as God calls us to seek and knock, God also calls us to create, give, and receive. Get crafty and explore the gifts God has given you.</i>
5. Open Door Policy	<i>Come travel the world and open your doors to different cultures through music, food, dance, and faith. In this workshop, we will begin to understand how everyone can come through the door.</i>
6. Creation: God's Good Gift	<i>From the beginning we are charged with caring for the earth. How we live our lives affects our world. Come learn about ways we can live responsibly in God's good gift of creation.</i>
7. I Spy	<i>I spy with my little eye... lots of things! It can be hard to find evidence of God. Through science, this workshop will help us to ask, seek, and find God in our lives.</i>
8. Do Unto Others	<i>God calls us into a shared communion with others, living by the Golden Rule. Explore what you can do to open doors and change the world.</i>
9. Love is an Open Door!	<i>There are many doors in our lives: sliding doors, revolving doors, and even dog doors. Come explore different door metaphors through the lens of our favorite movie moments to help unpack the theme scripture.</i>
10. Locked In	<i>In this "escape room" workshop, we will work together to open doors. As a community, we can help figure out creative ways to open locked doors.</i>
11. What is Behind Door Number 11?	<i>There are many choices in our journey of faith. Come on down to this interactive workshop to practice making decisions in a game-show setting.</i>
