

Welcome to 2020 ~ 2021!

Little Saints ~ BIG Imaginations

Honoring the individuality of the child as we prepare each for elementary school

Saint Luke's Little Saints Preschool & Kindergarten * 1978 Mount Vernon Road * Dunwoody, GA 30338

Welcome to a new year at SLLS!

It goes without saying that this year will look different. Our staff is meeting the challenges of starting school during a health crisis and has made many adjustments to our day-to-day life at school.

We have a great new theme which reinforces our approach to the year ahead - tapping into our *imagination*s, tackling the new while drawing on the traditional.

And speaking of new, this is exciting: our blue Enrollment Folder is now a Google Form containing all the information we need to have on file for your child. Completed online, this should be a snap to provide this year!

As much looks different, much remains the same, namely that we will be ready to greet you and your Little Saint when the first day arrives as we look forward to another wonderful preschool year.

XO,

~Carol
