Saint Luke's Little Saints, established in 1997, is a Christian preschool that provides a "learning through play" practice as defined by the award-winning program *The Creative Curriculum*. The framework for lesson planning is the State of Georgia early education program, Bright From The Start, and incorporates GELDS (Georgia Early Learning and Development Standards.) At all age levels, we honor the individuality of the child as we prepare each student for elementary school.

SLLS is accredited through the Preschool Directors' Association of the North Georgia UMC Conference, earning the status, "Program of Excellence." Prior to earning this new status, SLLS was accredited for ten years through AdvancEd/SACS, an organization that conducts rigorous reviews of schools. To ensure that our Little Saints realize their full potential, the Program of Excellence certification was chosen because it includes a spiritual development component in addition to a thorough analysis of academic practices.
